12/28/82 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK

Special Delivery Jones DREW Eddie Gilbert (The end came, when Jones tried to score a pin on Gilbert, after two well placed Head-Butts. The referee was counting, when the bell rang, to signal that the match was over, saving Gilbert a possible loss. This match, of course, was ruled a time limit draw.)

Tony Garea W. Johnny Rodz (By pin, with a Double Leg Cradle/Sunset Flip, off the corner turnbuckles.)

Buddy Rose W. Ivan Putski -C.O.R. (As this bout came to a finish, Putski was punching Rose, while they were both on the outside ring apron. Putski, then, punched Rose into the ring, as the referee was counting. Rose was in the ring on time, and was not counted out. Putski was still out of the ring on the ring apron, and was counted out, outside of the ring, by the referee. Rose, of course, was delighted, that he won this bout, even by a count out of the ring decision.)

Pedro Morales D.DQ. The Magnificent Muraco (Both men fought out-of-control, and gave the referee a hard time. Both Morales and Muraco struck the referee. First, Morales hit the referee, and then, soon after, Muraco kicked the referee. The battered offical had no choice, but to disqualify both grapplers, for their foul tactics. Morales and Muraco were not happy, with the decision of this tough encounter.)

Salvatore Bellomo W. Jose Estrada (By pin, after a Flying Body Press, off the middle ring rope-corner turnbuckle.)

Bob Backlund W. Billy Graham (Lumberjack Match, Special Guest Referee, Swede Hanson: This match had non-stop action, from start to finish, with Graham dumping Backlund out of the ring, several times. Bob, of course, soon got even with Billy. The Wrestler-Lumberjacks caused their own brand of mayhem, in this wild affair. The end came, when Bob nailed Billy, with his famous "Chicken Wing" Hold. Special Guest Referee, Swede Hanson, gave the decision to Bob, via submission. Bob held Billy in his dreaded hold, for a long time. Referee Hanson had no choice, but to give the win to Bob. After the announcement was made, declaring Bob the victor, Graham regained his composure, and had a verbal and physical altercation, with Referee Hanson. Swede, then, promptly slugged Billy, to the mat. Graham, then, left the ring, for the dressing room, quickly. Billy did not want any part of Referee Hanson. This match had the fans screaming for more, and more. Backlund, was indeed, happy with the outcome of this battle.)

The Fabulous Moolah & Wendi Richter W. Princess Victoria & Elizabeth Chase (Moolah pinned Victoria, after recieving some outside help, from Richter.)

Jimmy Snuka W. Ray Stevens -C.O.R. (In this vicious showdown, Snuka gave Stevens, what for. The finale came, when Jimmy flung Ray into the corner turnbuckles, and Stevens did a Backflip, flying over the top turnbuckle, out of the ring. Stevens landed out, on the ringside floor, and could not get back into the ring, on time. The referee, of course, counted Ray out, outside of the ring. Snuka was very happy, that he won this tough struggle. Stevens looked good in this event, and of course, Snuka looked great.)

Rocky Johnson W. The Black Demon (By pin, with a Double Leg Cradle/Sunset Flip.)

Jay & Jules Strongbow W. Mr. Fuji & Mr. Saito (Texas Death Match: Jules pinned Saito, with a One Leg Cradle, after a Double Tomahawk Chop Attack, with Jay. This was another wild chapter, in their never ending feud.)
